

K-Love is the only radio station I ever listen to because it is the only one that does not contain offensive songs and comments from the DJ's. It would be a terrible effect on the local community if K-Love were to be displaced by an LPFM broadcaster providing other programming. The information and programs on K-Love are Family Friendly. My 16 year old daughter listens to it also, by her own choice. I like the idea that as a teenager she has chosen wholesome music and commentaries, as apposed to the alternatives that are out there. Please do not take away K-Love, something of value, only to replace it with something not worthwhile.
